Audi A8 Accessories

Audi
Genuine Accessories

Audi Genuine Accessories. As individual as you are.

Your Audi is not just a means of getting from A to B: You also use your Audi to plan experiences – from A to Z. You only stop briefly at your destination before heading off again. And it is precisely for excursions such as these that we are creating more options. Audi Genuine Accessories: products that make good on our promise of quality each and every day. For you, that means benefitting from made-to-measure solutions that impress on account of their design and functionality. After all, creativity during the development phase and high production standards alongside the high number of testing procedures are all just as important to Audi Genuine Accessories as they are for each and every Audi vehicle. Discover what tailor-made solutions Audi Genuine Accessories has in store for you.

When it comes to design and quality, we are reinventing the wheel. Time and time again.

Where progressive design meets premium quality, it takes more than a good eye. Above all else, the right touch is required. For the right materials. For the absolute accuracy of fit. And for the value of each individual component. That is why we are constantly improving our production processes, are always on the look-out for the best materials and regularly question our test criteria. Audi Genuine Accessories wheels are also testament to this ambition: These products undergo extensive testing to ensure a high level of quality. For example, wheels that are pre-damaged through simulated stone chippings are sprayed with a highly corrosive acetic acid and saline solution over the course of several days. The wheels must then meet the stringent requirements of subsequent tests. To ensure this is the case, a complex casting process is used to deliver high component strength. In addition, the sophisticated multi-layer paint offers further protection against wear and ensures a high-gloss finish. A host of good reasons to opt for wheels from Audi Genuine Accessories – and show you have the right touch. Find out more about our current range of wheels from page 10 onwards.

Round off an Audi in true style: with cast aluminium wheels that are perfected prior to their production. By designers who give you their best. Designed and developed using high-tech tools, each cast aluminium wheel is a masterpiece.

Comfort and protection.

Safety in style on the road and after your journey: equipment for your Audi A8 ensuring even greater comfort and protection.

The art of getting ahead. Encapsulated in visible form. In an exceptional vehicle. The new Audi A8. Impressive and sporty. Following a clear principle: concentrate on the essentials. Pursue nothing without function. Strikingly textured surfaces. Exclusive materials. Worked to the highest level of sophistication. Boasting a very special claim – brilliance down to the very last detail. Introducing the new Audi A8. Where great space meets premium surroundings. And where innovative technology entertains and delights.

Of course, the story of the Audi A8 does not end here. The extensive range of Audi Genuine Accessories gives you the opportunity to further define your own concept for the Audi A8. Over the following pages, you will discover how to lend your own personal touch to your Audi A8.

Sport and design

The right answer to all questions of style.

Great style is a matter of getting the details right. Starting with cast aluminium wheels from Audi Genuine Accessories – available for both summer and winter. The valve caps from Audi Genuine Accessories offer another means of effectively accentuating your Audi A8, while functional accessory solutions such as the Audi Genuine snow chains are also perfectly tailored to the wheels on your vehicle. Turning every journey you make in your Audi A8 into a sheer delight. No matter where you are heading.

01 Audi Genuine tyres (not pictured)

Specially developed for each corresponding Audi model using the very latest materials. Tested in approx. 50 testing procedures, the standards applied during testing are considerably more stringent than the statutory regulations. When additionally purchasing summer tyres or when fitting winter tyres, Audi Genuine tyres are able to ensure the usual Audi quality.

02 Cast aluminium wheels in 5-arm parabola design*

Exceptional design, to perfectly complement your Audi A8. With high-gloss arms, dimension 9 J x 20. For tyre size 265/40 R 20.

*Please observe the information relating to wheels found on page 32.

▼ 01

01 Cast aluminium winter wheels in 7-arm design

Classic complete winter wheel, dimension 7.5 J x 17 for tyre size 235/60 R 17.
Fuel efficiency class: F, wet grip class: E,
external rolling noise class:  73 dB.

02 Valve caps

The four metal valve caps embossed with the Audi logo provide the valve with better protection against dust, dirt and moisture. Available for rubber, metal and aluminium valves.

02 ▲

Sport and design

03 Anti-theft wheel bolts (not pictured)

These bolts can only be loosened using the special adapter supplied, making it difficult to steal the tyres.

04 Foot rest and pedal caps in stainless steel (not pictured)

Dazzling and practical at the same time: The foot rest and pedal caps are made from brushed stainless steel. The rubber coating on the surfaces ensures enhanced grip.

05 Snow chains

For better hold on snow and ice.

06 Wheel bag

Four-part set with practical handles for easy and clean transportation and storage of complete wheels. Made from tear-resistant plastic. Wheel bolts can be stored in the outside pockets.

Enjoy freedom. In all its forms.

Fit transport solutions from Audi Genuine Accessories and indulge your hobby. Or simply just unwind. Whatever you have in mind, enjoy the freedom of taking what you need with you. After all, you decide what the day will bring: whether it be a ski trip in the mountains, a bike ride with the kids or an exciting kayak trip. Enjoy the feeling that everything is taken care of – and feel truly relaxed in looking forward to your venture.

01 Carrier unit

Carrier unit for various roof rack modules, such as the bicycle rack, kayak rack or ski and luggage box. The profile is made of anodised aluminium. The carrier unit is easy to fit and is lockable. Maximum permissible gross weight of the carrier unit, roof rack modules and load: 100 kg.

02 Ski and luggage boxes*

A new design from Audi featuring improved aerodynamics thanks to a flatter, sportier visual concept. Platinum Grey roof box with Brilliant Black side blades and chrome Audi rings for a high-quality, rivet-free look. Boxes are lockable and can be opened from both sides for comfortable loading and unloading. With internal handle for closing the box. Simple quick-action securing system incl. torque limitation. Positioned towards the front of the vehicle, making it easier to access the luggage compartment. Available in three sizes: 300 l, 360 l and 405 l. Maximum permissible load: 75 kg. Further important information that will help you to choose the right roof box can be found on page 32.

► 01/02

03 Bags for roof boxes (not pictured)

Robust yet flexible. These bags are equipped with a watertight floor featuring a watertight border extending 5 cm upwards. Ideal for making full use of the Audi roof boxes, as it is possible to use the individual bags in various combinations. Available in three sizes: S (43 l), M (76 l) and L (82 l).

*Contact your Audi partner for the exact launch date.

Transport

Wherever the mood takes you – the transport products from Audi Genuine Accessories travel with you.

Varying weather conditions can have a whole host of effects on a product. To ensure our transport solutions withstand these climatic conditions, the products undergo varied and complex tests. For example, a range of tests can be used to simulate sunlight and rain, and thus test the properties of the product in different climate zones in fast motion. All of these tests share a single goal: to ensure that you can rely on your transport accessories at all times when on your travels.

01 Ski and snowboard rack

For easy transportation of up to six pairs of skis or four snowboards. Lockable. Can only be used in conjunction with the carrier unit. The ski bag with wheels is ideal for transportation using the luggage compartment and can hold four pairs of skis or three snowboards.

02 Bicycle carrier for the trailer towing hitch

Bicycle carrier (also suitable for electric bikes) for up to two bicycles with a maximum load capacity of 60 kg.* The same key can be used to separately lock bikes onto the carrier and the carrier onto the vehicle. Moveable wheel restraints provide a secure hold. Easy access to the luggage compartment is achieved by way of a folding mechanism. The bicycle carrier can be folded up and conveniently stored in the bag provided, thereby saving space. An extension kit for a third bicycle is also available as an option.

03 Trailer towing hitch (not pictured)

Available in two versions: One is a detachable and lockable ball hitch, and the other is a ball hitch attached underneath the vehicle that can be swivelled in and out electronically. The 13-pin socket is attached to the left-hand side of the ball hitch for easy access.

04 Roof carrier bag

For the storage or transportation of the carrier unit and smaller roof rack modules. Made from a robust material, with multiple loops and side pocket to house an appropriate tool or small parts. Available in two sizes.

*Please note the information regarding the maximum permissible trailer load and the gross vehicle weight rating of your vehicle in the vehicle wallet.

▀ 04

Transport

05 Kayak rack* (not pictured)

For single kayaks weighing up to 45 kg. Can be tilted for easy loading and unloading. The kayak rack and elasticated belt can be secured separately. Can only be used in conjunction with the carrier unit.

06 Bicycle fork carrier (not pictured)

Easy to use. Lockable. Suitable for bicycles with a quick-release mechanism on the front wheel. Maximum load: 17 kg. Can only be used in conjunction with the carrier unit.

07 Front bicycle rack (not pictured)

Made from anodised matt aluminium, mounted with anti-theft screws, completely pre-assembled. Not suitable for bicycles with a half axle.

08 Bicycle rack

The bicycle rack made from specially shaped aluminium profile and powder-coated steel makes it particularly easy to mount the wheels. Lockable. Maximum load: 17 kg. Can only be used in conjunction with the carrier unit.

*Contact your Audi partner for the exact launch date.

Communication

Rely on the best connections. Wherever you are.

Communication is everything. And not just in the office. Being able to make decisions quickly and flexibly, even when on the move, is becoming increasingly important. With the communication solutions from Audi Genuine Accessories, you are not only connected, but also entertained in the best way possible. Your favourite music is always available at just the push of a button. And with the navigation updates from Audi Genuine Accessories, you will quickly find your next destination. In a convenient, simple and intuitive manner.

01 Universal mobile phone holder

For delivering low-radiation telephony by connecting with the external aerial and to provide convenient storage for your mobile phone while on the road. The mobile phone is conveniently placed in the universal mobile phone holder and connects to the vehicle's external aerial, without the need for wires. Compatible with a number of popular mobile phone models, meaning it is no longer necessary to change the adapter when switching mobile phones. The mobile telephone preparation (Bluetooth) is required to use the universal mobile phone holder. The USB charging adapters, which are available separately for a number of popular mobile phone models, allow drivers to charge the battery of their mobile telephone with ease.

01 Audi wireless internet access

For setting up a free Internet connection in the vehicle via Wi-Fi. Serves as a hotspot for up to eight mobile end devices including tablets, laptops and smartphones – even outside the vehicle in a range of up to 100 m. Not constrained by the battery life of the mobile phone thanks to a router integrated into the vehicle. Offers a roaming function; also for pre-paid cards.

02 ▲

02 Audi music interface (retrofit solution and adapter cables)

Enables various Apple iPod and iPhone models as well as other portable media players to be connected to your vehicle. Media players can be operated via the infotainment system. To connect media players, additional adapter cables are required, which are available in a range of versions. For more detailed information, speak to your Audi partner.

Communication

01 ▲

03 Audi SD card (8 GB) (not pictured)

For storing your music: ultra-compact and universal SDHC memory card (8 GB), class 6. Comes with a protective case.

04 Navigation update (not pictured)

Maps with advanced content, e.g. new roads, points of interest and restaurants. For greater comfort and a more relaxed driving experience. Our tip: Combine the update with the next service appointment scheduled for your vehicle. For detailed information, please contact your Audi partner.

05 Audi USB memory key

The exclusive data carrier that emulates the look of a genuine Audi vehicle key. Memory capacity of 8 GB. The special 90° position for laptops makes it particularly convenient to use. Suitable for all vehicles equipped with a USB connection or Audi music interface. Can also be used as a normal USB stick outside the vehicle.

01 Audi child seat youngster plus

Offers a high level of comfort thanks to the intelligent seatbelt guide. The height and width of the backrest are adjustable. Adjustments to the seat size can be made with ease using a viewing panel. Suitable for children between 15 and 36 kg (approx. 4 to 12 years of age).

02 Backrest protector (not pictured)

A practical solution to prevent the backrest of your vehicle seat from getting dirty. Easy to wash. Also prevents children damaging the seat if they kick it while travelling in the back, and offers additional storage space in the form of four small pockets. Tailored to match the design of the child seats, the child seat underlay and the interior of the vehicle. Not for integrated head restraints.

We take our work very seriously, to ensure your children have more fun.

Anyone who relies on the ultimate in quality at work can be forgiven for doing so in their free time too. Above all when it comes to the safety and protection of those travelling in their Audi A8. This is true in particular for the small passengers in the back. Put your trust in quality when it comes to your children too – with child seats and other children's products from Audi Genuine Accessories.

Family

Quality that protects your children – and gives you peace of mind.

Whichever of our child seats you choose: As you would expect, each individual seat meets all statutory safety standards. But that is not enough – Audi performs additional, voluntary tests in real-life vehicle settings in order to meet its own safety and quality requirements. The shape of the child seats from Audi Genuine Accessories is also tailored to the child's needs, making the seats easy to install and remove.

03 ▼

01 Audi baby mirror (not pictured)

Easy to secure on the rear seat headrest thanks to the Velcro fastener, keeping the baby in the rear-facing baby seat in view. Viewing angle can be adjusted as required. Not suitable for integrated headrests.

02 Child seat underlay (not pictured)

Tailored to the design of the child seats and the interior of the vehicle. Car seats are protected against dirt and potential imprints made by the child seats. Includes two practical storage pockets. Fully compatible with all Audi child seats, even where the ISOFIX base is used.

03 Audi child seat

Can be used in the forward or rear-facing position. With adjustable seat shell, integrated seat belt and adjustable head restraint. Can only be used in conjunction with the ISOFIX base. Suitable for children weighing between 9 and 18 kg (approx. 12 months to 4 years of age).

04 Child seat colour variants

All child seats are available in the colour combinations of Misano Red/Black or Titanium Grey/Black. The fabrics used are kind to the skin, breathable, non-fading, removable and washable, and are certified in accordance with the Oeko-Tex® Standard 100. Replacement covers available from your Audi partner.

04 ▼

Family

05 Audi baby seat

Easy to install with the help of the ISOFIX base (recommended) – can also be secured using the three-point belt. The integrated seat belt ensures that the child is more secure; the attached cover also acts as sun protection. With adjustable head restraint. Suitable for small children weighing up to 13 kg (approx. 12 months).

06 ISOFIX base for Audi baby seat and Audi child seat (not pictured)

A more secure fit for the Audi baby seat and the Audi child seat. Allows the seat to be quickly installed and removed. The adjustable support provides better stability. Enhances the level of protection for the child. Note: The ISOFIX base is optional for the baby seat, but must be used for the child seat.

► 05

07 Audi plush steering wheel

A steering wheel (24 x 24 cm) in an exclusive Audi design for racing drivers both big and small. Fitted with a squeaky horn for even more fun.

07 ▼

08 ▼

08 Cuddly “Rob the Gecko”

Made from high-quality plush, Rob is hard-wearing, soft and washable.

A man with a beard and short hair is looking towards the right. In the foreground, a car seat with a beige leather headrest is shown. A silver metal coat hanger is attached to the top of the headrest. The background is blurred, suggesting an interior setting.

Showing off its best side. Inside and out.

First impressions count. Your vehicle is ultimately also an expression of your personality – and a pristine appearance is the best business card. For an all-round groomed appearance, Audi Genuine Accessories offers a range of equipment for your comfort and protection. What's more, the Audi Tracking Assistant delivers an additional boost when it comes to protecting your vehicle. Discover our equipment for yourself – and impress others with your style.

01 Coat hanger

For coats, jackets and other items of clothing. The coat hanger is attached to the front headrests.

Comfort
and protection

▼ 01

01 Audi Tracking Assistant plus

Enables the tracking and tracing of a stolen vehicle in 27 European countries via GPS/GSM technology. With automatic driver recognition and intelligent restart restriction function. For detailed information, please contact your Audi partner.

02 Luggage compartment box (foldable)

Made from black polyester, offers a storage capacity of up to 32 litres. Easily assembled using Velcro tabs, providing a functional and practical solution. When laid flat, the box also acts as an additional protective underlay for the luggage compartment. Washable and easy to clean.

03 Cool bag

With connection cable suitable for 12 V sockets. The plastic interior provides space for up to 12 litres. Practical to use thanks to the adjustable carrying strap.

▼ 02

▼ 03

04 ▼

04 LED gooseneck reading lamp

Very bright light – wherever you need it, thanks to the flexible silicon rubber neck. Ultimate stability in all positions. Connection via the cigarette lighter.

05 Mud flaps (not pictured)

Made from high-quality plastic. Prevent damage being sustained to paintwork and stop dirt building up in the sills and rear apron of the vehicle. Available as a two-part set for the front and/or rear of the vehicle.

06 Loading sill protective sheet (not pictured)

The made-to-measure protective sheet for the loading sill, made from transparent plastic film, enhances the level of protection for the bumper against damage when loading and unloading the luggage compartment.

07 Care products

Tailored to the high-quality materials present in your Audi. For the care of the exterior or for a wide range of applications in the vehicle interior, depending on the product.

07 ▼

01 Premium textile floor mats

Tailored to the size of the floor in the Audi A8. Made from durable, tightly woven velour. With a special coating on the underside. The floor mats are always secured at the front of the vehicle using the points provided for this purpose on the floor. With A8 lettering.

02 Vehicle cover

Perfect fit, in anthracite, bearing the Audi logo. Made from a breathable and antistatic material. The piping accentuates the shape of the vehicle. Offers optimum protection against dust and dirt. Only for indoor use.

03 Universal luggage compartment divider (not pictured)

Enables the luggage compartment to be used in a flexible manner. Can be bent into the required shape and secured to the vehicle floor using the rip-tape fastener. Once removed, the partition system returns to its original shape. Exclusively for luggage compartment covers made from needle felt.

Technical information

Ski and luggage boxes

Volumes	300 l	360 l	405 l
External dimensions in mm (L x W x H)	1,902 x 630 x 376	1,756 x 826 x 376	2,050 x 800 x 380
Max. number of pairs of skis	4-6	5-7	5-7
Max. number of snowboards	3-4	4-5	4-5
Max. length of skis in cm	175	155	190

Wheel information

Please note the following information relating to wheels: Machine-polished, polished or part-polished aluminium wheels must not be used in the event of wintry road conditions. Due to the manufacturing process, the rim surfaces do not possess sufficient anti-corrosion protection and are at risk of long-term damage due to road salt or similar materials.

Emissions values

Model	Combined fuel consumption	Combined CO ₂ emissions
Audi A8	9.1-5.9 l/100 km	213-155 g/km
Audi A8 hybrid	6.2 l/100 km	144 g/km
Audi A8 L	9.2-6.0 l/100 km	216-158 g/km
Audi A8 L hybrid	6.3 l/100 km	146 g/km

For availability of Audi A8 hybrid and A8 L hybrid accessories, please contact your local Audi partner.

04 Rubber floor mats

Made-to-measure. Better protection against heavy soiling. The mat is secured to the vehicle using the fixing points on the floor. With A8 lettering.

05 Business bag

More space for your business tools. The high-quality business bag offers you a storage volume of approx. 14 litres – enough space for a laptop of up to 15 inches as well as the various other things you need for the office. Can be securely fastened to the rear bench seat or the front passenger seat using the 3-point seat belt. Can also be used outside the vehicle as an attractive briefcase. Your Audi partner will be happy to provide you with more information about functional interior solutions, such as the rubbish bin or the seat back pocket.

06 Boot liner

Made-to-measure luggage compartment shell. Washable and robust. The all-round edging prevents liquids from leaking onto the luggage compartment floor.
