A push pole to help parents guide the vehicle is available as an accessory. For children aged between 18 months and 3 years. Made in Germany.

A passion for the original.

Audi drivers have high expectations. Even the details must have that thrill factor. The same goes for the Audi miniatures, which reflect the extraordinary fascination of the originals on a small scale. That way your customers can bring to life and relish the spirit of the four rings in the comfort of their own home, too.

Audi collection

Miniatures

The Audi miniatures are manufactured with the same precision and passion as their full-size counterparts. At the end of the day, even Audi's smallest products receive the four rings only when the quality is compelling right across the board.
