The Selected Partner Network is a group of charge point operators (CPOs) that provide customers with an optimal charging experience. These CPOs have a high-power charging station infrastructure, on-site amenities and outstanding operational reliability. CPOs may be added or removed from this group over time to provide the best possible service to our customers.

The Selected Partner Network is accessible to all users. Special charging rates for CPOs are only available to subscribers of the top-tier tariff which includes Selected Partner Network rates and when the CPO they are charging with is a member of the Selected Partner Network at that time. The current members are: IONITY, Audi charging hub, Ewiva and Aral pulse.
